A screening will be offered to provide information and to address any concerns you may have regarding your child's development. The program also enrolls typical children as a way of providing integration opportunities for the children with special needs.

The screening will be held **by appointment only** in **May 2010** for children born in **2006** and **2007** who reside in the Town of Mansfield. For more information call Mansfield Public Schools at (860)429-3353.
